

Grow with **Google**

Bring **Applied Digital Skills** to adult learners in your community

Google has developed Applied Digital Skills - a free, online and video-based digital literacy curriculum - to equip adults with critical life and job skills

Visit g.co/AppliedDigitalSkills/COABE to learn more

The new partnership between Applied Digital Skills and the Coalition on Adult Basic Education will:

Bring **professional development** training to adult educators in all 50 states

Want to deliver trainings on Applied Digital Skills?

Fill out this form: <https://formstack.io/D7E92>

Showcase the **best practices and case studies** to show how educators are using Applied Digital Skills in their instruction.

Want to share your story for a chance to be featured?

Fill out this form: <https://formstack.io/CB1A1>
