Reporting Period: July 1, 2017 – June 30, 2018

NEBRASKA

PURPOSE:

To provide educational opportunities for adults to become college and career ready in order to successfully transition to postsecondary education, training and employment.

EMPLOYER SKILL NEEDS:

It is estimated that by 2020, 71% of jobs in Nebraska will require postsecondary education and 38% of jobs will require some college, an associate's degree or a postsecondary vocational certificate.
