

ADULT EDUCATION PROGRAM

FACT SHEET | KANSAS

REPORTING PERIOD: JULY 1, 2019 - JUNE 30, 2020

Purpose: WIOA Title II federally funded adult education programs provide quality driven literacy, numeracy, digital literacy, and workforce readiness skills to learners that lead to post secondary education, a family sustaining wage, and economic self-sufficiency.

Employer Skill Needs: By 2024, 48 percent of job openings will be middle-skill and 32 percent will be high-skill. In less than three years, nearly 80 percent of all job openings will require more than a high school degree[i]. Adult education provides a significant opportunity to bridge the workforce supply-and-demand gap.

\$678 Federal funds per adult learner. Our learners have the most barriers to employment and literacy, yet we receive limited funding compared to the \$10,000 per pupil received by elementary education.

\$3,871,270
In total annual federal funding.

6,611
Total adult education enrollment.
