

# ADULT EDUCATION PROGRAM **FACT SHEET | INDIANA**

PUBLISHED 2023 | REPORTING PERIOD: JULY 1, 2021 - JUNE 30, 2022\*

\*Most recent data available through the National Reporting System

**Purpose:** WIOA Title II federally funded adult education programs provide quality driven literacy, numeracy, digital literacy, and workforce readiness skills to learners that lead to post secondary education, a family sustaining wage, and economic self-sufficiency.

**Employer Skill Needs:** By 2024, 48 percent of job openings will be middle-skill and 32 percent will be high-skill. In less than three years, nearly 80 percent of all job openings will require more than a high school degree[i]. Adult education provides a significant opportunity to bridge the workforce supply-and-demand gap.

**\$602** Federal funds per adult learner. Our learners have the most barriers to employment and literacy, yet we receive limited funding compared to the \$10,000 per pupil received by elementary education.

**\$11,687,635**  
 In total annual federal funding.

**19,430**  
 Total adult education enrollment.

 **INDIVIDUALS ENROLLED IN ADULT EDUCATION SERVICES**

**Adult Student Populations:\***

**Adult Basic Education (ABE):** Grade Levels 0-8.9

**Adult Secondary Education (ASE):** Grade Levels 9-12

**English Language Acquisition (ELA):** Students for whom English is not their native language.

**Correctional Education Programs:** # of students **5,697**

\*as defined by the National Reporting System (NRS)
