**Purpose:** WIOA Title II federally funded adult education programs provide learners with quality-driven literacy, numeracy, digital literacy, and workforce readiness skills that lead to postsecondary education, a family sustaining wage, and economic self-sufficiency.

**Employer Skill Needs:** Research from Georgetown University's Center on Education and the Workforce found that, "Forty-two percent of jobs in 2031 will require at least a bachelor's degree, while only 28 percent will go to workers with a high school diploma or less."
